

IMPORTANT CUDA REMINDER TO ALL SWIMMERS AND FAMILIES

When entering the building for practice, please use the bottom bus loop doors until 6:00pm. After 6:00pm or if the bus loop doors are locked, everyone MUST walk down the alley way behind Shop Rite to the doors that take you down the hallway to pool entrance. **There are no exceptions to this.** There will be **NO** admittance to the pool through the Main Entrance of the high school at the top of the hill.

If you arrive at the doors by the alley way and there is no one available to open the door for you, please be patient and wait outside the doors, someone will get to there as soon as possible.

UNDER NO CIRCUMSTANCE SHOULD THE DOOR KEPT ADJAR BY A ROCK or ANY OTHER OBJECT. The school districts security camera captured a Cuda member on video putting something in the doors so they would not lock.

These doors must be locked at all times for the safety of EVERYONE

This is a district policy that we ALL MUST adhere to. We are all guests at the high school and we cannot jeopardize losing our permit if the rules are not followed.

PLEASE CONSIDER DONATING SOME OF YOUR TIME TO SIT IN THE HALLWAY TO OPEN THE DOORS TO A CUDA MEMBER. IF WE ALL TAKE TURNS THEN EVERYONE WILL HAVE THE OPPORTUNITY TO WATCH THEIR CHILD IN THE WATER DURING THEIR PRACTICE TIME!

Thank you for your cooperation
